SECOND CIRCULAR LETTER

**CALL FOR PAPERS**

### **Some News**

In the XXI Conference (Jornadas), we will celebrate the 30th anniversary of ACSRAL. On this occasion, we have established a partnership with the Sociology of Religion Research Group of the International Sociological Association, which will allow us to carry out joint activities. In addition, we are excited to confirm the participation of ISA President Geoffrey Pleyers.

We are also honored to announce that the International Association for the History of Religions has decided to recognize our Conference as a regional meeting of their association. We are proud to have IAHR President Tim Jensen in attendance.

### **Two meetings in one**

In agreement with the ISA RC22, it has been established that Monday, July 22, 2024, will be devoted to working groups and papers in English” to give members of RC22 from all over the world an opportunity to a full participation. These working groups were in fact proposed in partnership with ISA RC22 and ACSRAL members can also submit papers in English, if they wish.

The Conference itself will begin the following day, Tuesday, July 23. All participants of the Conference and RC22 will be able to participate in both events. As will be seen in the list of approved WGs, several of them admit presentations in English, although the official languages will be, as always, Spanish and Portuguese.
